

WELCOME TO OUR NETWORK OF INTERNATIONAL SCHOOLS

Our Vision

We believe in the democratization of education. Students worldwide should be able to have the same opportunities regardless of race, nationality, social status, background or language. Our program provides not only a superb academic experience but also an extensive set of value-added services and features that makes our internationalization option the best in the market.

Our Objectives

DLX aims to build a worldwide network of distributors who already have a presence and relationships with schools within their local market. These distributors will promote and sell the DLX Academic Programs, so that the schools can have an internationalization option and diversify their academic curriculum. Our objective is that all our students enroll into our program will get the chance to graduate from a US High School upon credit completion and get a diploma as if they studied all their high school in the US without leaving their home country.

What Programs We Offer

- Dual Diploma Program (US High School diploma).
- Full Time School (from 6-12 grade).
- Individual class enrollment.
- AP Courses.

DLX International School Certifications & Curriculum

- Cognia, NCA CASI, NWAC, SACS CASI accredited.
- NCAA Certified.
- 400+ academic courses available (core, AP, electives, world languages).
- U.S and domestic high School diploma guaranteed upon credit completion.

How do we do it?

1. DLX pitch the program to possible schools
2. DLX International School reviews the school curriculum with all the courses and activities
3. The local school needs to have at least 16 full credits covered within their local academic program to validate them in the US.
4. DLX sets an academic path for students depending on the starting grade and course recommendation.
5. DLX trains the teachers and students to ensure the program success
6. Then the student needs to enroll into 5 full credit courses to complete a minimum of 21 credits
7. After the student completes and successfully passes the DLX courses, then the US High School Diploma will be awarded.
